2024 Moonridge Foundation Philanthropy Leaders Summit

WHO WE ARE / COMPREHENSIVE SERVICES

Moonridge Group was founded in 2011 by Julie Murray after determining there was a greater need for strategic philanthropy in Nevada. Her leadership skills, along with an experienced and innovative team, have helped create strong coalitions, bringing together philanthropists, community leaders, business youth and more to solve our most pressing social problems.

The Moonridge Foundation was established by Moonridge Group and is committed to elevating philanthropy and volunteerism, while serving as a fiscal sponsor, donor advised fund, and grant making entity. The Moonridge Group and its Foundation are also proud to lead the following initiatives: The Philanthropy Leaders Summits in Las Vegas and Reno, The Greater Good Council, Nevada Corporate Giving Council in Las Vegas and Reno, Moonrise Next Gen Philanthropists, Jameson Fellowship/Compassionate Las Vegas, Downtown Cares, and more.

2024 Moonridge Foundation Philanthropy Leaders Summit

WHAT IS THE PHILANTHROPY LEADERS SUMMIT?

The annual Philanthropy Leaders Summit is a premier funders forum focusing on driving innovation and strategy to giving. The Summit brings together corporate funders, family foundations, and individual philanthropists to explore the future of giving locally and across the globe. Attendees hear from dynamic speakers who share the latest in best practices, lessons learned and trends in giving.

Over the last decade, we have been happy to hear feedback that the Summit has inspired strategic action in giving, while serving as the connection point to collaborations that maximize social impact. As we approach our 13th year, we recognize the critical role philanthropy will play for future generations.
